Made for iPhone

User Guide

Introduction:

Noble is an Apple MFI Certified power case made of genuine leather with a powerful Lithium-Polymer Battery for iPhone 5/5S, this is an ever lasting enhancement that every iPhone needs.

The shell, reinforced with transparent plastic, allows a high level of protection against bumps and scratches. The inner part has been built in soft, anti-slip, material to avoid any kind of displacement.

The grip, solid and pleasant to touch, gives you a feeling of comfort and strength. The recharging system is controlled by an easy reachable button located on the underside of Noble. Just push the button and you can activate the charging system in which four LEDs allow you to know in every moment of the day the right amount of energy remaining.

Packaging contents:

- Noble
- Mini-USB Charging Cable
- User Guide
- Warranty Card

Specifications

Battery Type: Lithium Polymer Battery

Capacity: 3000 mAh

Input: 5V-1A

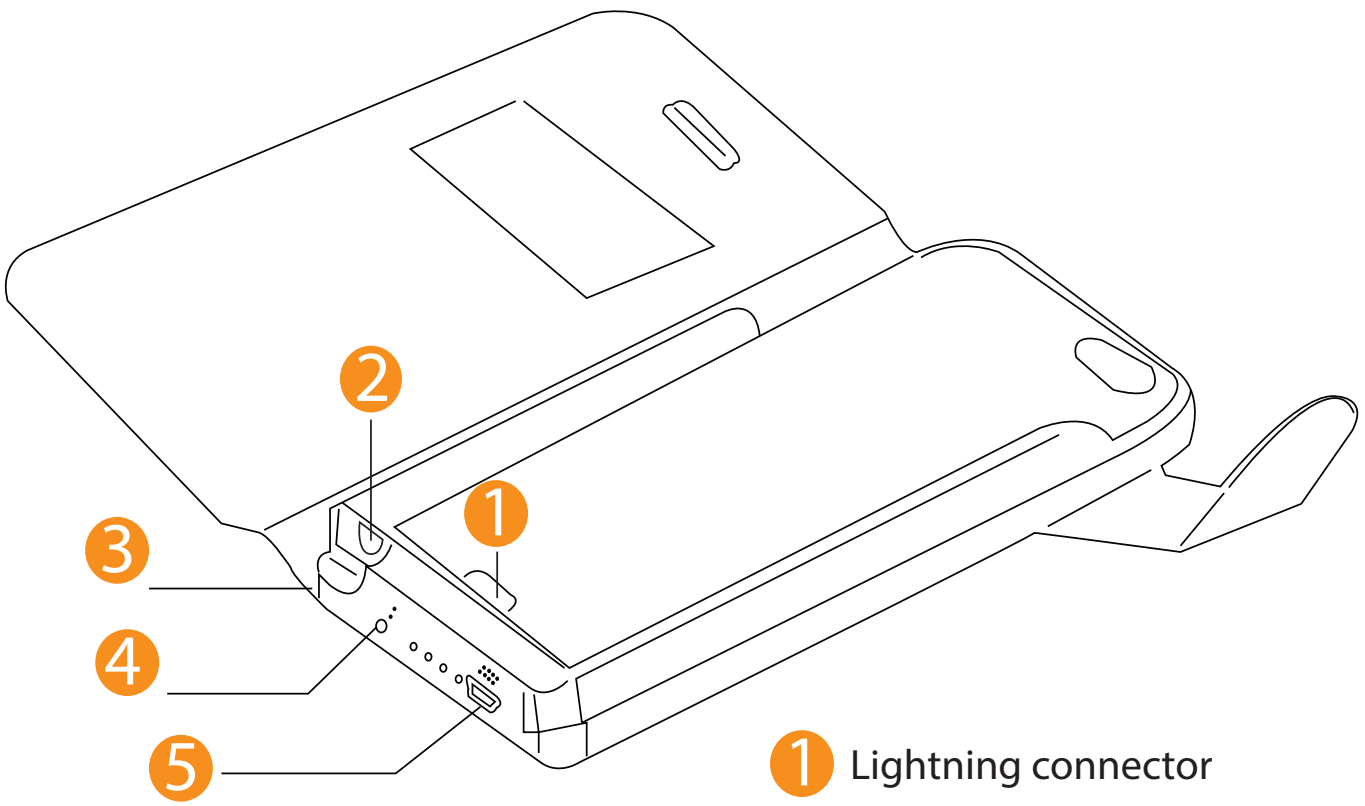
9. Always charge this product before extended storage

Appearance & Interface Description:



1. Lightning connector
2. Earphone Jack
3. Power Button
4. LED indicator
5. Mini USB Charging Port

Operation Instructions:

1. Charging Noble without iPhone 5/5s connected

Kindly use the Mini-USB Cable provided to charge your Noble. During the charging process, the LEDs located on the bottom of Noble will blink to indicate your device has begun charging. When all the four LEDs light up, Noble is fully charged.
The whole charging process takes around 4.5 hours.

2. Charging Noble with iPhone 5 connected

Connect your iPhone 5/ 5s to Noble and then connect the included Mini-USB Cable to the charging port at the bottom of Noble. Connect another end of the Mini-USB Cable to iPhone power adapter or computer Mini-USB port. Your iPhone will now start charging.
When your iPhone 5/5s is fully charged, the backup battery in Noble automatically starts getting charged. During the charging process, the LEDs located on the bottom of the device will blink to indicate your device has begun charging.
When all the four LEDs light up, Noble is fully charged.

3. Charging your iPhone 5/5s using Noble

Plug your iPhone 5 into Noble and press the power button located at the bottom of Noble. Now your iPhone 5/5s will start charging.
Press and hold the power button for 5-10 seconds until the four LED light indicators lite up to stop charging your iPhone 5/5s..

Legal

"Made for iPhone," or "MFI" mean that an electronic accessory has been designed to connect specifically to iPhone respectively, and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards. Please note that the use of this accessory with iPod, iPhone, or iPad may affect wireless performance
